E-Landscape Specialty Solutions recently completed the landscaping design work of Crosswinds Annapolis Towne Centre in Annapolis, MD. Crosswinds Annapolis is new luxury apartment complex located at the Annapolis Towne Centre.

The development is a Bozzuto Group community – developed by Bozzuto Development Company, built by Bozzuto Construction Company and managed by Bozzuto Management Company.

Buzzuto Group partnered with interior design firm Patrick Sutton Associates as well as Hord Coplan Macht and Ashton Design to create the classic contemporary feel of the complex.

E-Landscape Specialty Solutions installed the pavers, the site furnishings – including the sculpture, grill and fire pit. They also installed the plantings, the bocce lawn, lightweight soil and irrigation systems.

Crosswinds offers contemporary living and upscale amenities while providing convenient, urban style living in Annapolis.
